**Financial report-Lisa-reports not available**

-Looked into new door handles for the main preschool doors. They run anywhere from \$1000 to \$1500 for the parts. I don't want to keep putting a Band-Aid on these since we use them every day. I want to put new ones on that will work and not be an issue. We will need a motion to spend that much money on replacing. Thank you, Sarah, for putting together a fundraiser for this.
